Commercial Forestry Activity - FN250440034

Reference Number	FN250440034
Submitted On	22/04/2025 10:11 a.m.
Submitted By	ANONYMOUS

GETTING STARTED

* - indicates required field.

Introduction

Written notice (plantation forestry activities) is required under the National Environment Standards for Commercial Forestry.

Please note under regulation 106 of the National Environmental Standards for Commercial Forestry, the council may charge for monitoring of the permitted activities specified by regulations 24, 37, 51 and 63(2) of the standards. Charges are calculated to recover fair and reasonable costs associated with council travel, fieldwork and administration.

Information required

Information required to complete this application includes:

- Applicant contact details
- Description of activity
- Supporting documents

Privacy

Please note that this document becomes a public record once submitted and could be disclosed following a request made to the CDC under the Local Government Official Information and Meetings Act 1987 (LGOIMA). CDC is required to provide this information following a request unless there are grounds for withholding it. While your personal contact details will automatically be withheld, there are limited grounds for withholding other information. These grounds are set out in that Act. Please make contact with if you want CDC to consider withholding

(part of) your application.

Declaration

By proceeding with this application you certify that the information you provide is true and correct to the best of your knowledge.

Yes
