Tēnā koe Kelvin,

NOTICE OF AMENDED EMISSIONS RETURN

JELLDAL LIMITED, NZ-8779 EMISSIONS TRADING SCHEME (FORESTRY) – POST-1989 FOREST LAND PARTICIPANT NOTICE PURSUANT TO SECTION 123(1) OF THE CLIMATE CHANGE RESPONSE ACT 2002

- Acting under delegated authority, (as further sub-delegated) the Team Leader Forestry ETS Operations (the Team Leader), pursuant to section 123(1) of the Climate Change Response Act 2002 (CCRA) gives notice to Jelldale Limited (the Participant) that the Final Emissions Return (Emissions Return) in respect of the period 1 January 2018 - 31 December 2022 has been amended under section 120 of the CCRA. These particulars are set out below.

AMENDMENT UNDER SECTION 120

Particulars of the amendment

- Pursuant to section 120, the Team Leader is satisfied that the information contained in the emissions return is incorrect and amends the emissions return as follows:

CAA Number	Area (ha)	Original Return	Amended Return	Discrepancy
1	72.07	12391	13216	825
2	30.62	5490	5545	55
3	4.27	756	756	0
Net entitlement of New Zealand units (NZUs): 880				

- The amendment shows that the Participant is entitled to receive **880 NZUs**.

Grounds and information on which the amendment is based

The Team Leader, in making the amendment, has taken into consideration the following facts and information.

- The Participant was registered as a participant in the Emissions Trading Scheme (ETS) in respect of owning post-1989 forest land on 30 September 2022.
- Allan Laurie, (the Approved Authorised Representative (AAR)) on behalf of the Participant, submitted the Emissions Return on 8 June 2023, in respect of the period 1 January 2018 – 31 December 2022. However, the Emissions Return contained incorrect information because the Emissions Return was submitted before the review of decision under section 144 of the CCRA relating to ETSA-050682 was completed.
- Therefore, the Team Leader is satisfied that the information in the Emissions Return is incorrect and has decided to exercise the discretion to amend the Emissions Return under section 120 of the CCRA.

**Request for review of decision**

7. Pursuant to section 144 of the CCRA, if you are dissatisfied with the Team Leader's decision you may, within **20 working days** of receiving this notice, request a review of this decision. The request must set out the grounds on which it is believed that the original decision should be reviewed.
8. If you have any questions, please do not hesitate to contact ForestryETS@mpi.govt.nz.
