AWAROA FOREST

KAITAIA-AWAROA ROAD, HEREKINO, NORTHLAND

FOR SALE BY TENDER | SUBMISSIONS CLOSING 4PM, THURSDAY 22 OCTOBER 2026 (UNLESS SOLD PRIOR)

Executive Summary

AWAROA FOREST

Searle Forestry presents for sale Awaroa Forest, a well-located forestry and lifestyle opportunity in Northland. The property is ready for replanting for future harvest or registration in the ETS and set aside as a passive-carbon producing woodlot. Located on Kaitaia-Awaroa Road, the property benefits from easy access both north and south, providing access to local and export markets for the next crop. For future residents, Kaitaia and other main centres are also readily accessible.

Awaroa sits on a freehold title of 20.10ha with a net plantable area of approximately 19ha and harvest infrastructure in place from the previous harvest and harvest of surrounding woodlots. The forest land is classified as post-89 and is currently unregistered in the Emissions Trading Scheme, providing an incoming owner with the option to consider ETS registration.

Situated on an elevated site with a coastal-facing westerly aspect, the property is well-poised for lifestyle investors. Kaitaia, the closest main centre, is approximately 30km north and provides a full range of amenities, as well as a regional airport providing greater access south.
