INPUT RETURN NOTICE

EMISSIONS TRADING SCHEME (FORESTRY) – POST-1989 FOREST LAND PARTICIPANT NOTICE PURSUANT TO SECTION 194A(2)(b) OF THE CLIMATE CHANGE RESPONSE ACT 2002

Acting under delegated authority, the Director of Forestry and Land Management (the Director), pursuant to section 194(2)(b) of the Climate Change Response Act 2002 (CCRA), gives notice to **RR Trotter No. 2 Trust** (the Participant) of the matters that were included in the input return in respect of the period **01/01/2023 – 31/12/2025**.

The particulars are set out on the pages that follow. The information these values are based on can be found online by logging into Tupu-ake, then opening **APP-0065517** and clicking the hyperlinked items listed in the 'Application Detail' column and 'Details' tab in your application.

The calculation methods are as per the Climate Change (Forestry) Regulations 2022.

You may choose to include the following calculated amounts in your emissions return. However, Te Uru Rākau (acting under the delegated authority of the Environmental Protection Authority) is not liable for anything that results from the calculations it has made in good faith. These calculations and notice do not affect any of the participant's obligations under the Act, including the obligation to submit an accurate emissions return.
