Attention: Chief Building Inspector

Dear Sir

RE: ABA 981674 CT 2100 PT ALLOT 28 PARISH OF PUHOI
49 REMIGER ROAD, PUHOI
RAY NICKLIN

This office has visited the above site on 10th August 1999 and inspected the building under construction.

Originally intended as a workshop / storage shed, the upstairs area has been converted into a one bedroom unit.

We confirm that our specifically designed structural elements have been designed to withstand normal domestic loading. We assume that all other works have been checked by the Council and comply with the relevant building codes.

Should you wish to discuss any aspects of the above information, please contact the above office.

We trust this meets with your approval.

Yours faithfully
