Thanks Kerry,

That's awesome that he has agreed to that. For future correspondence could you please contact James as tomorrow is my last day with NZ Bio.

Thanks,

Hi Nathan

I have just spoken to Ray and we have reached the following compromise. Ray will,

- Remove the gates
- Staple sheep netting between the lower and middle boards
- Wire and staple the boards to the posts

His son will photograph these upgrades and send to you to update the report in question. Once received I will sign off as approved.

Many thanks
