Dear Cheryl

APPLICATION FOR SECTION 224(c) APPROVAL – STAGE 2 (Lot 3)
Client: Ray Nicklin and Desma Nicklin
Location: 53B Remiger Road, Puhoi
Council Ref: SUB60315119 & SUB60354496

We request certification pursuant to Section 224(c) of the Resource Management Act 1991 for *Stage 2 (Lot 3)* of the subdivision above. Would you please arrange for the certificate to be approved in Land*online*.

The subdivision has proceeded in general accordance with the application and approved plans, and we note that the land transfer plan was approved under Section 223 of the Resource Management Act on 17th November 2023.

We comment on the Section 224(c) conditions as follows:

Fencing of bush and riparian areas
Not applicable for Stage 2

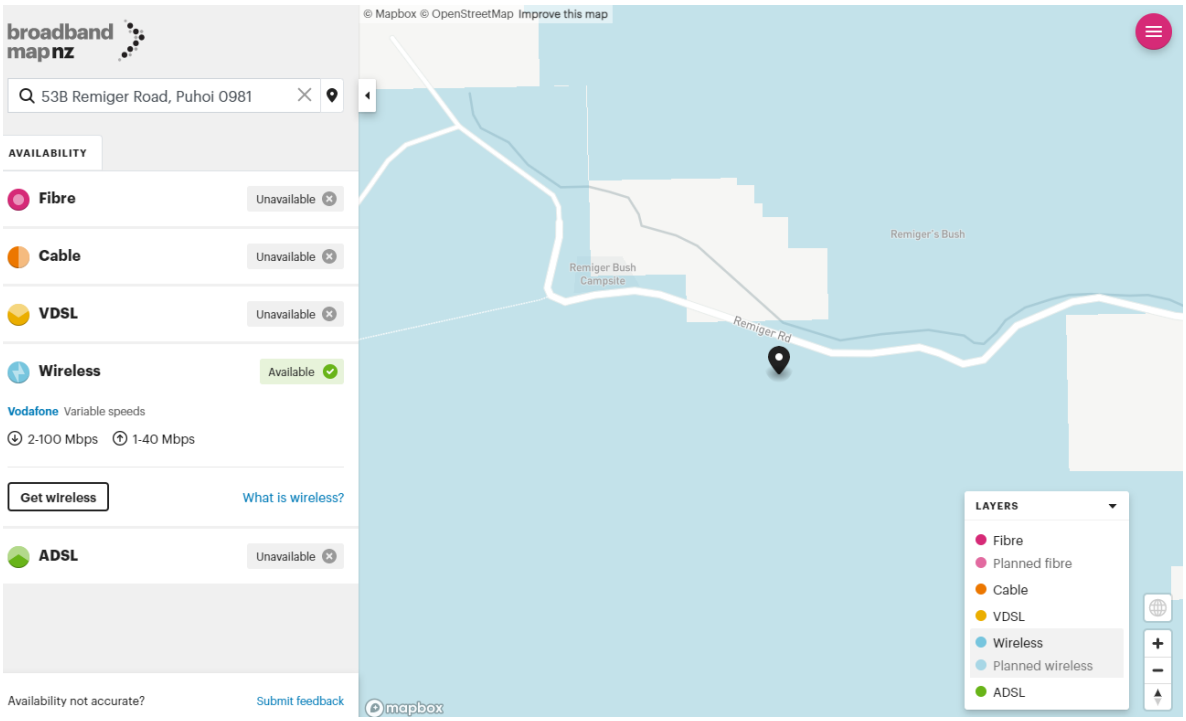

Ecology
Not applicable for Stage 2

Landscaping
Not applicable for Stage 2

Engineering
ROW EF and EG has been completed to council standards. EACC has been applied for to Ronald Uy and will be included once approved.

Power
We attach a copy of the completion certificate for the Vector works that were completed in Stage 1 for the whole site.

Phones
The consent holder intends to provide telecommunications by wireless means. The **below** wireless broadband map shows that coverage is available to the whole site

Consent Notices

Please arrange for the required Consent Notice(s) to be prepared. Our client's Solicitor is North Harbour Law, Phone 09 427 0550, Email nhl@nhlaw.co.nz.

It is our understanding that once the development contributions and balance fees are paid the Section 224(c) Certificate of Compliance can be issued. We would therefore appreciate the issue of the final invoices at the earliest opportunity.

If you require further information, please contact me at nikkio@catobolam.co.nz or telephone (09) 427 0072.

Yours faithfully
