Issued By: **Auckland Council – Regulatory Engineering**

Project: Construction of the metal vehicle crossing and right of way.

Consent Number: ENG60340236 **Approval Granted:** 1 July 2019

Project Address:
53B Remiger Road
Puhoi
Auckland 0873

Applicant:
Cato Bolam Consultants
19 Tamariki Avenue
Orewa
Auckland 0946

Note: A final Engineering Approval Completion Certificate (EACC) issued in respect to all the engineering works covered by the above Approval.

The Statement of Certification has been signed and dated by:
Tom Lemon of Cato Bolam Consultants, dated 28 April 2021.
The As-built plan has been signed and dated by:
Tom Lemon of Cato Bolam Consultants, dated 29 April 2021.
Auckland Council Regulatory Engineering is satisfied upon reasonable grounds that: these works, certified by Tom Lemon of Cato Bolam Consultants on 28 April 2021, have met the requirements of the Engineering Approval.

This Engineering Approval Completion Certificate is granted subject to the following conditions:

- That 24-hour access to public infrastructure on private land be provided to Auckland Council, Watercare and its representatives in accordance with the Local Government Act 2004.
- That a post-construction audit may be carried out of these works.
- That subsequent to this audit, if the works associated with this consent are found to be deficient in any way, remedial works and / or revised documentation may be required.

Signed for and on behalf of Council on this day: 10-05-2021
