Good morning,

**RE: Resource Consent Invoice**

The decision on the above-mentioned resource consent application has been issued.

Attached is your debit note for charges relating to the completion of your application.

You will note that a 15% late processing discount has been applied to the fees invoiced today with a credit totalling $1,015.22 being manually applied for discount on the fees charged on your four interim invoices previously sent. Please refer to the discount calculation sheet and combined interim invoices for your information.

Payment options are detailed on the reverse of the debit note.

You may object to any additional charges over and above the deposit paid, under section 357B of the RMA, within 15 working days of receiving this letter. This objection must be made in writing and set out the reasons for your objection. Your objection should be emailed to RCappeals@aucklandcouncil.govt.nz

You can find further information about how to make an objection on our website at resource-consent-appeals-objections .

Similarly, you can request a review of the discount calculations if you feel that a larger discount is due, or a discount is due where none has been given. Before requesting a review, it is suggested that you read council's "Working Day Count Dispute Process" Practice and Guidance Note that sets out the process we will follow when a request to review the working day discount has been submitted. The Practice and Guidance Note is located on the Auckland Design Manual website at www.aucklanddesignmanual.co.nz/regulations/practice-notes.

If you decide to request a review, please use a copy of the form attached at the end of the Practice and Guidance Note. The form requires you to give reasons for the review and to highlight the step(s) of the process that you believe have been calculated incorrectly.

If you have any further queries regarding your debit note, please email the Resource Consent Regulatory Support Team: **rcregulatorysupportorewa@aucklandcouncil.govt.nz.**

Thank you in advance for your payment.

Kind regards,
Jackie.
