Hi Myles,

Please find attached to this email a copy of the decision, where the decision has been made to approve your application under the RMA. Take your time to read the decision and understand the conditions that are attached to your resource consent.

Before starting any physical works, please complete the Resource Consent Notice of Works Stating form at the end of your resource consent decision and please email this form to monitoring@aucklandcouncil.govt.nz at least 5 days prior to physical works starting on your development. Council's Monitoring Inspectors will carry out regular inspections to ensure that the conditions are being satisfied.

If you have identified an error in the decision that requires a minor correction please let us know so that this can be addressed.

If you disagree with the decision, or parts of it including the conditions, you can lodge an objection in writing either with council or file an appeal with the Environment Court. In both cases, this needs to be done within 15 working days of receiving the decision.

For objections, more information on this process can be found on the website. The Environment Court website explains the appeal process.

A final invoice will follow shortly.

Kind regards,
